

Foundation Supporters

The Pregnancy Foundation is pleased to recognize the generous SMFM members, private donors, professional societies, private practices, institutional departments and MFEM divisions, and corporate sponsors who support the advancement of research and education in the field of maternal-fetal medicine. The following individuals and organizations have made significant cumulative gifts or pledges to The Pregnancy Foundation through October

31, 2015. Space limitations prevent us from printing all donor names, but we thank each one for their generosity at any amount. Recent donations are acknowledged on our website — ThePregnancyFoundation.org.

Great effort was made to include all contributors in this report and to ensure the accuracy of names and titles. If we have erred, please accept our apologies and let us know so we may make corrections in the future.
